LETTER SUBMITTING AMENDED APPEAL BRIEF

Appellant has received a Notification of Non-Compliant Appeal Brief in the subject patent application, because the previously submitted Appeal Brief does not “identify and map all independent claims on appeal (11) and dependent claims (15) which were separately argued to the specification by page and line number or paragraph number and to drawings if any by reference characters.”

An Amended Appeal Brief is being filed herewith. Appellant submits that this Amended Appeal Brief is compliant, and thus requests consideration of the Brief on the merits.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'M. J. Didas', is written over a horizontal line.
